

# XLAP & Build-A-Box

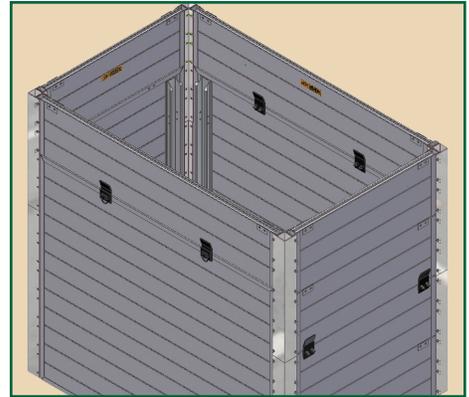

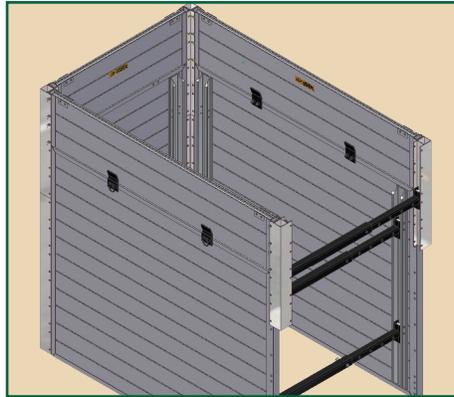

## Compatibility & Flexibility with XLAP/Build-A-Box Combo

### Purpose:

XLAP is **compatible** and **stackable** with Efficiency's Build-A-Box modular aluminum trench shielding system which allows contractors and municipalities to make **on-the-spot** modifications to the shield.

### Common Applications:

- Sewer & Water Valves
- Hydrants & Taps
- Spot Repairs
- Gas and Electric Utility

Build-A-Box Stacked on XLAP
